Content: **ZEPF** Essentials Surgery Tray

The **ZEPF** Essentials in cobalt-blue **24.961.03** or lightred-magenta **24.961.04** is a cost-efficient set compiled in many years of experience, leaving the practitioner nothing to be desired.

All the oral surgical, implantological and periodontal aspects can be covered by this set. The exchangeable working tips inserted in the ergonomic **BIONIK** handle offer highest economy and best tactile handling. Clearly organized in a washbasket – so everything is always easily at hand for the practitioner.
